

Parental Notifications

The Solano County Office of Education’s (SCOE) recognizes that notifications are essential to effective communication between the school and the home. The County Superintendent or designee shall send students and parents/guardians all notifications required by law, including notifications about their legal rights, and any other notifications s/he believes will promote parental understanding and involvement.

The Superintendent or designee shall ensure that notifications which must be sent at the beginning of each academic year include a request that the parent/guardian sign the notice and return it to the school.

Notifications to parents/guardians shall be written both in English and in the family's primary language when so required by law. Whenever an employee learns that a student's parent/guardian is for any reason unable to understand SCOE’s printed notifications, the principal or designee shall work with the parent/guardian to establish other appropriate means of communication.
