Series 6000 – INSTRUCTION

Policy 6111

School Calendar

The County Superintendent or designee shall determine a calendar for each school that will meet the requirements of law as well as the needs of the community, students, and the work year as negotiated for represented personnel.

Each school calendar shall show the beginning and ending school dates, legal and local holidays, orientation meeting days, minimum days, vacation periods, and other pertinent dates.

The Solano County Office of Education (SCOE) shall offer 180 days of instruction per school year.

Staff development days shall not be counted as instructional days.

Notification of the schedule of minimum days shall be sent to all parents/guardians at the beginning of the school year. If any minimum days are added to the schedule, the Superintendent or designee shall notify parents/guardians of the affected students as soon as possible and at least one month before the scheduled minimum day.

If a school will be used as a polling place on an election day, the Superintendent or designee shall determine whether to continue school in session, designate the day for staff training and development, or close the school to students and nonclassified staff.
