Series 6000 – INSTRUCTION

Policy 6177

Summer School

The Solano County Office of Education (SCOE) recognizes that summer school provides valuable opportunities for students to improve their skills and make academic progress. When the need is demonstrated and funds are available, the County Superintendent or designee shall establish summer school day and/or evening classes for purposes of remediation, enrichment, and/or acceleration.

SCOE's summer school program may be used to provide supplemental instruction for students failing to meet academic requirements and/or students who desire enrichment in core academic subjects in accordance with law, policy, and administrative regulation.

Attendance

Because summer courses cover extensive instructional content in a relatively short time period, students who have more than three excused absences or one unexcused absence may not receive credit for their summer session class(es) unless they make-up missed work in accordance with law, SCOE policy, and administrative regulation.
