### **Registration Now Open for 2023 Solano County Science and Engineering Fair**

**SOLANO COUNTY, CA** - Solano County Office of Education (SCOE) is hosting the 10<sup>th</sup> Annual Solano County Science and Engineering Fair in March at the Solano County Fairgrounds. SCOE is encouraging Solano County students, grades 3-12, to enter this year's competition.

SCOE's Science and Engineering Fair aspires to provide an opportunity for students to develop inquiry and problem-solving skills, ignite a passion for science and engineering and explore STEM-related fields. Careers in science, technology, engineering, and math (STEM) have grown substantially since 2010, creating a STEM worker shortage in the U.S.

Applications are due by 3:00 PM, Friday, February 24, 2023. Visit [www.solanocoe.net/sciencefair](http://www.solanocoe.net/sciencefair) to apply or for more information about the competition.

For more information about the Science and Engineering Fair, contact Lilibeth Pinpin, Director of Innovative Programs and Student Success, at [lpinpin@solanocoe.net](mailto:lpinpin@solanocoe.net), 707-399-4439.

###

Solano County Office of Education (SCOE) provides leadership, support, and fiscal oversight for charter schools and Benicia, Dixon, Fairfield-Suisun, Travis, Vacaville, and Vallejo school districts which serve approximately 60,500 students. Solano County Superintendent of Schools, Lisette Estrella-Henderson is elected by voters of Solano County. The Superintendent is a state constitutional officer who serves as the chief executive officer of SCOE and as a liaison between local school districts and the state.
