Solano County Student Art Faire

Solano County Office of Education in partnership with the Solano County Fairgrounds host the 2019 Solano County Student Art Faire; on Saturday, May 18, 2019, from 11:00 a.m. to 3:00 p.m. in the McCormack Hall at the Solano County Fairgrounds, 900 Fairgrounds Drive, Vallejo. This will be a 1-day Art Exhibit not to be missed! This new exhibit location allows more masterpieces to be on display for the public to view.

Fourth through twelfth-grade artists will have the opportunity to showcase their artwork. “Art is a critical part of a child’s education, nurturing skills needed for all subject matter content. The Solano County Office of Education is proud to promote the Art Faire and celebrate how students see the world around them,” says Solano County Superintendent of Schools, Lisette Estrella-Henderson. Every year, the Student Art Faire features pieces in a variety of categories including computer art, clay pottery, sculpture, drawing, fiber, mixed media, painting, photography, and printmaking. For so many of these young artists, it will be the first time their art is displayed for the public.

This event is free, and the public is cordially invited to attend. For more information, please contact Rebecca Floyd at (707) 646-7602 or rfloyd@solanocoe.net.
