### **Solano County Office of Education Employee Service Awards 2018**

The Solano County Office of Education (SCOE) will honor 93 of its employees, including retirees, on Wednesday, May 9, 2018 from 3:30 p.m. to 5:00 p.m. at the main office located at 5100 Business Center Drive in Fairfield, California. Employees who have contributed five years of service to 30 years of service will be acknowledged. “The employees of the Solano County Office of Education are committed, hardworking individuals who truly put kids first. The Employee Service Awards event is an opportunity to highlight the dedication and excellence of service that our employees provide. We have some employees who have dedicated their entire professional careers to serving at the County Office and this event is also an opportunity to publicly thank them for their years of service,” says Solano County Superintendent of Schools, Lisette Estrella-Henderson.

Employees are honored based on five-year increments. This year, tokens of appreciation engraved with the employee’s name and years of service include a bell for members with five years of service, a crystal apple for employees with 10 years of service, a rosewood pen and pencil set for members with 15 years of service, a rosewood book clock for members with 20 years of service, a crystal award with silver star for members with 25 years of service, and a crafted mahogany box for members with 30 years of service.

For more information about the SCOE Employee Service Awards contact Collin Bublavi at 707-399-4426 or by email at [CBublavi@solanocoe.net](mailto:CBublavi@solanocoe.net).
