

Girls in Robotics Leadership+ (GIRL+) Camp

Inspiring the next generation of female creators, makers, and leaders!

Girls in Robotics Leadership+ (GIRL+) Camp

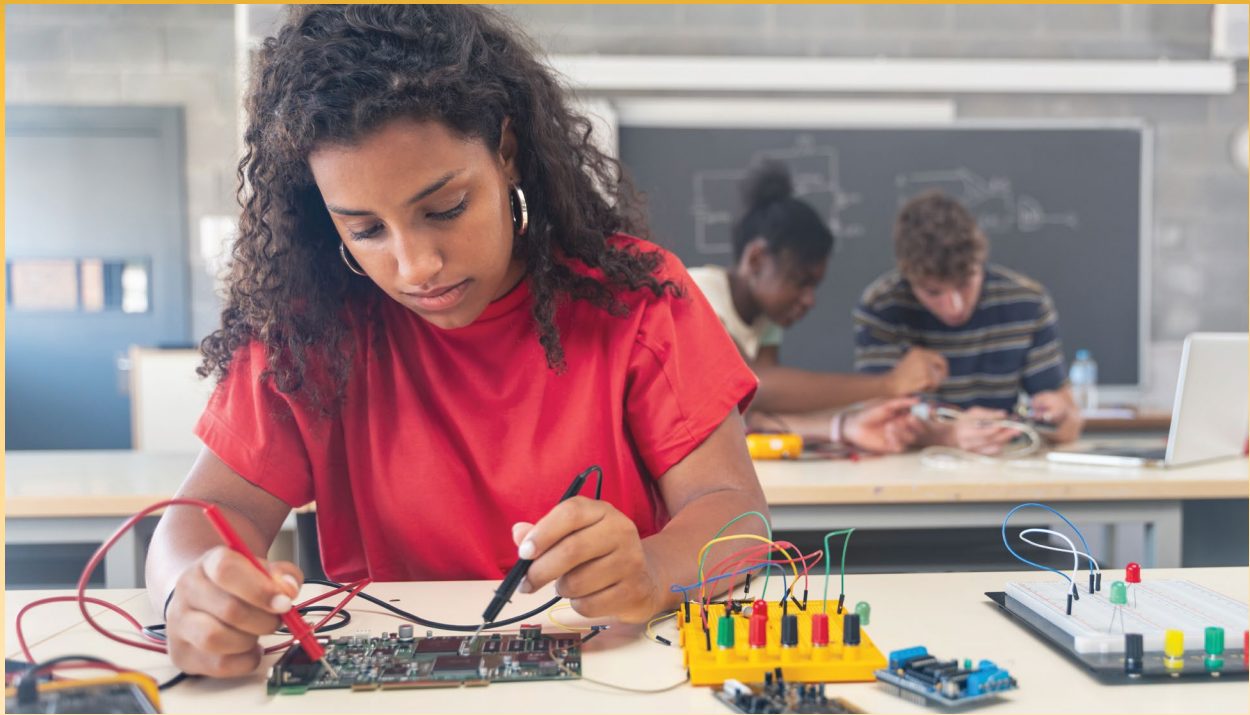

Solano County Office of Education, in partnership with UC Davis C-STEM (Computing-Science, Technology, Engineering, Mathematics), is hosting a C-STEM GIRL+ Camp.

Eligibility

Motivated young women entering grades 9, 10, 11 or 12.
Desire to learn computing and STEM concepts through a fun and exciting robotics and Arduino based curriculum.

Goals

Students will serve as leaders and inspire others to gain interest in science and technology through creating and joining robotics clubs in their schools.
Participate in the RoboPlay Competition on C-STEM Day.

You're Invited!

July 10-14, 2023

9 a.m. - 3 p.m.

Free for students to attend

Join us to learn about:

- Physical Computing with Arduino and Robotics
- Principles of Engineering
- Programming in RoboBlockly and Ch/C/C++
- Film Production
- Women in Information Technology

Registration Steps:

1. Complete application form online.
(You will then receive an application packet via email to complete.)

2. Email application packet by Monday, May 22nd to:

Lilibeth Pinpin, PhD
Lpinpin@solanocoe.net

Alyssa San Juan
cc: asanjuan@solanocoe.net

Location

Solano Community College
Vallejo Campus
545 Columbus Parkway
Vallejo, CA 94591
