

2023-2024

Community of Practice (CoP) for Expanded Learning Program (ExLP) Coordinators & Staff and Community Members

The objectives of this free STEAM CoP for ExLP coordinators and staff are to:

- Deepen the STEAM CoP participants' knowledge, skills, and confidence to facilitate meaningful STEAM activities in their own program.
- Collaborate with other ExLP participants to develop a cohesive Expanded Learning program which includes CA Quality Standards for Expanded Learning, Growth Mindset, Socio-Emotional Learning, Universal Design for Learning, and Social Justice.

Quarterly 2-hour sessions with hands-on STEAM activities will be conducted in person. The products or outcomes of these sessions can be directly used or modified to suit the participants' own program needs.
