

Student Wellness Learning Collaborative Meeting

Description: Solano County Office of Education (SCOE) and Solano County Behavioral Health (SCBH) are hosting the Student Wellness Collaborative Meeting. We look forward to your participation in this county wide collaborative meeting. This meeting will focus on reviewing relevant data, sharing best practices, and working together to brainstorm and identify how to best support the mental health of students and staff on our school campuses.

Who Should Participate: Key Leaders on your school campus whom support mental health wellness, such as Wellness Center Leads, Mental Health Staff and members of your PBIS Team.

Dates: September 21 ,2021 & November 9, 2021; February 8, 2022 & April 5, 2022

Time: 9:00a - 10:30a
