2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

Vision: All children will have an equal opportunity to discover and share their abilities and gifts fully, thereby enriching the world.

Mission: The Solano County Office of Education's (SCOE) special education programs will provide all students and their families with the support, education, and advocacy needed to reach their greatest potential and participate fully in the community.

1. Programs will provide: environments which are creative, safe, healthy, and inclusive; opportunities to develop meaningful relationships; access to both core and individualized curriculum; settings and materials that are age-appropriate; range of quality service options.
2. Instruction will: be individualized; be based upon specific agreed-upon meaningful outcomes; include a variety of strategies based on current research and best practice; provide students with choices; emphasize intensive levels of time on task; infuse positive behavioral interventions and social-emotional learning; include measures of instructional effectiveness; continually challenge our expectations for students; provide access to appropriate technology.
3. We will place the needs of students and families at the center of our efforts by: including families as partners; maximizing family involvement; treating families with respect, compassion, and understanding; recognizing and utilizing their knowledge, experience, and skills; honoring their contributions, dreams, advocacy, culture, and commitment to their children's learning; providing families with a useful understanding of the system.
4. All staff are valued as members of a learning community committed to program quality and continual improvement. This commitment is demonstrated by: working collaboratively; developing and sharing resources; celebrating growth and successes; utilizing individual skills; ongoing professional growth and learning; supporting each other; supporting risk-taking; using proper body mechanics and universal precautions.
5. In support of our mission, we will pursue meaningful partnerships by establishing: a coordinated system of service delivery that supports meaningful outcomes from birth to age 22; interagency agreements; working relationships with business and community organizations; positive and productive working partnerships with school communities.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	
Intern Credential Holders Properly Assigned	
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	
Unknown	
Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The textbooks and instructional materials used by Special Education are from the most recent adoption. In the classes for students with moderate-to-severe disabilities, the Solano County Office of Education uses a variety of programs designed to address functional skills and significantly modified standards. The curricula have been adopted at different times and the most recent adoption included the Unique Learning System program, which was first piloted in 2012 and adopted in 2013. The items listed below are all part of our most recent adoption. All the classes have sufficient textbooks and instructional materials for each student.

School Facility Conditions and Planned Improvements

The Solano County Office of Education (SCOE) provides instructional services in a wide variety of school settings. The SCOE maintains two centers primarily for preschool students and transition classes that include typically developing peers. Classrooms are also maintained at over 30 school sites throughout Solano County to meet the needs of students who benefit from being on an integrated site. The facilities on school sites are maintained by both the district and SCOE. The facilities are maintained in a safe condition and there are procedures in place to quickly address health and safety issues once they have been identified.

All Interim Evaluation Instruments for Special Education facilities are on file in the Facilities Department. Please contact the Manager of Facilities & Maintenance (707) 399-4860.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

2020-21 Career Technical Education Programs

SCOE students with moderate to severe disabilities participate in community-based instruction and development of school-based microenterprises that prepare them for independent living and work. Students also have work experience opportunities when appropriate. Students with the ability to participate, have an opportunity to complete a ServSafe Food Handlers' Certificate to prepare for employment in the food industry.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

The Special Education Department recognizes the responsibility of the school to involve the parent(s) in all aspects of the special education process as legally required. The procedures for timely notification, parental input and support are set in the legally mandated process from the beginning referral to the implementation of the Individual Education Plan (IEP). In addition to meeting our legal obligations, the needs of families and students are at the center of our efforts.

Our guiding principles include these elements:

- Include families as partners.
- Maximize family involvement.
- Treat families with respect, compassion, and understanding.
- Recognize and utilize their knowledge, experience, and skills.
- Honor their contributions, dreams, advocacy, culture, and commitment to their children's learning.
- Provide them with a useful understanding of the system.

Strategies to involve families include:

- Parent/teacher conferences,
- Parent interview prior to IEP meetings,
- Individual Education Plan meetings,
- Back-to-school nights,
- Transition planning nights sponsored by our Workforce Development Department,
- Transition planning between programs and age levels,
- Parent tours of potential school sites,
- Reporting of benchmark achievement, and
- Translation services.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21
Suspensions	2.39	0.32	4.32	0.10	3.47	0.20
Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

The elements of the plan include disaster response, supervision, and expulsion policies, sexual harassment, safe and orderly entry and departure, rules and procedures on school discipline, and crime reporting. Many of our classes are housed on district campuses and in those cases, SCOE follows the school safety plans for those sites. A Safety Committee at SCOE meets quarterly. The School Safety Plan has been recently revised and is scheduled to be reviewed in the third quarter of the 2021-2022 school year.

Professional Development

For the last three years, teachers and paraeducators have received a full day of required in-service training each year. Teachers have previously utilized up to two staff development buy-back days for approved staff development activities. In addition, staff can apply for training specific to their professional discipline. If approved, this is supported by the special education budget. Teachers also attend a monthly in-service that addresses evidence-based practices and implementation. Interns and new teachers are supported through a coaching model. Professional Learning Communities are established and program teams participate in them on a monthly basis. Coaching and ongoing support are provided to individuals and teams within the county programs. Additional training was provided to staff in 2021-2022 to address the unique needs of COVID-19 pandemic.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
